

Greetings,

1. Farmer Pete Bargmann, owner of Alice Acres Farm Market and Greenhouses, will be offering "behind the scenes" tours of the 5 greenhouses. This will be an exclusive opportunity for garden club members to see how hanging baskets, planters, etc. are created. Farmer Pete will share his techniques and wisdom on how to care for your plants throughout the season. For \$100 your group will receive a 1 hour "walk and talk" program where you can ask any questions that you might have about plant care, and the use of the Bud Crandall Pavilion. Feel free to have a meeting, eat your lunch or purchase a snack from Cows and Cones ice cream shop. Call Farmer Pete at 860-608-0919 for a reservation for your garden club. This offer is good during the month of May.

If you wish to have the same type of program in the fall, Farmer Pete plants over 6000 mums. He would be happy to give a talk on how he produces these gorgeous mums, which are second to none. This will take place at the farm.

Haven't been to Alice Acres?? It is a 20 acre farm located at 39 Military Hwy in Gales Ferry, CT. Farmer Pete has been growing beautiful plants since 1995. There are farm animals grazing in the fields and a wonderful place to take family and friends in any season. For more information visit the web site: www.aliceacresfarm.com

Hope to hear from you soon.
